Sharla,

As discussed, please assign a new docket number to the attached filing that BellSouth submitted on 9-12-02 in Docket No. 97-00209. Dee will distribute the required number of copies internally.

The caption should read:

**Revision of BellSouth SGAT to Include Collocation Requirements Ordered by the FCC and the Tennessee Performance Assurance Plan**

This docket will be placed on the March 3 Conference agenda.

Thanks,  
Arnie
